8-Day Fisterra-Muxia Walk 8 – 15 June 2025

Cost of Accompanied Walk: €895 sharing (Single supplement €295)

Baggage Transfers are included but if you have an extra item the cost is ± €7 per bag

Deposit and Payments Details:

After registration we will ask for a **€350** deposit to secure your place in the group. Should you cancel, €50 of this deposit will be non-refundable.

Six months before the walk, a second deposit of **€350** is payable.

Three months prior to the walk, the final invoice is payable.

Payment of the balance

The above deposits will all be treated as part payment of the total amount due. 90 days before the date of commencement, you will receive a Final Invoice showing the total cost of your trip and the balance owing plus any extra services booked. Payments can be made in monthly increments although this could incur extra bank charges. If the balance is not paid/received 60 days prior to the date of departure, amaWalkers Camino shall have the right to cancel the booking without further notice, and cancellation charges as set out in the Booking Conditions will apply. We strongly recommend you include trip cancellation and curtailment with your Travel Insurance. If after acceptance of the booking you wish to alter any confirmed arrangements, a minimum fee of €25 per person for each change may be charged, if such change is possible. If the alteration is less than 90 days prior to departure the cancellation charges may apply. Any changes to the original booking will not be effective until it is received in writing and agreed to in writing by amaWalkers Camino. Because we reserve services such as hotel rooms and taxi transfers months in advance, any increases in their tariffs or additional costs imposed by our suppliers may also be charged.

RATE YOUR HIKING FITNESS LEVEL, bearing in mind that our daily stages are between 15 km and 25 km

NB: Although this walk is suitable for all ages, it is fairly challenging, mainly because it is on cross country, undulating trails. Because of this we have reduced the stages to ± 15 km and will be taking them slow! For this reason, the walk might not suit ultra-fit hikers who prefer more strenuous hikes over longer distances.

RATE YOUR HIKING FITNESS LEVEL:

Poor	<input type="checkbox"/>	Can't hike 15km per day or do hills.	Oh dear! Please start training now – preferably on hills
