Although this trail is suitable for all ages, it is a fairly challenging walk, mainly because it is on cross country trails with no services in between overnight stops besides an occasional rural Tuck-Shop.

RATE YOUR HIKING FITNESS LEVEL:

Poor	<input type="checkbox"/>	Can't hike 20km per day or do hills.	Oh dear! Perhaps you are not ready for this particular trail?
Average	<input type="checkbox"/>	Can hike 20km day after day but not so good on hills	This is an undulating trail with up and downhill stages. You should be OK if you do some hill training
Good	<input type="checkbox"/>	Can hike 20km (12.4 miles) per day and am OK on hills	Great! You should be OK on this walk.
Above average	<input type="checkbox"/>	No problem hiking the APT Trail – bring it on!	Fabulous! You'll be just fine.

ROOM REQUIRED:

There are very few single rooms available in the places where we stay and we will have to give priority to the Group leader, Tour Guide and Trail Guide. At Myddelton Farm you might be sleeping in back-packers type accommodation with an option to upgrade to a private room at an extra cost. If you are travelling alone we can match you with a roommate of the same gender.
